

Pioneer 
International

Asia Procurement
Specialists

Art Chokenea
Sales Director

History

- Over 20 years of cultural understanding.
- Our business relationships in Asia are based on long term trust and mutual respect.
- Pioneer International has two offices in China that manage the supplier relationship, and day to day activity.

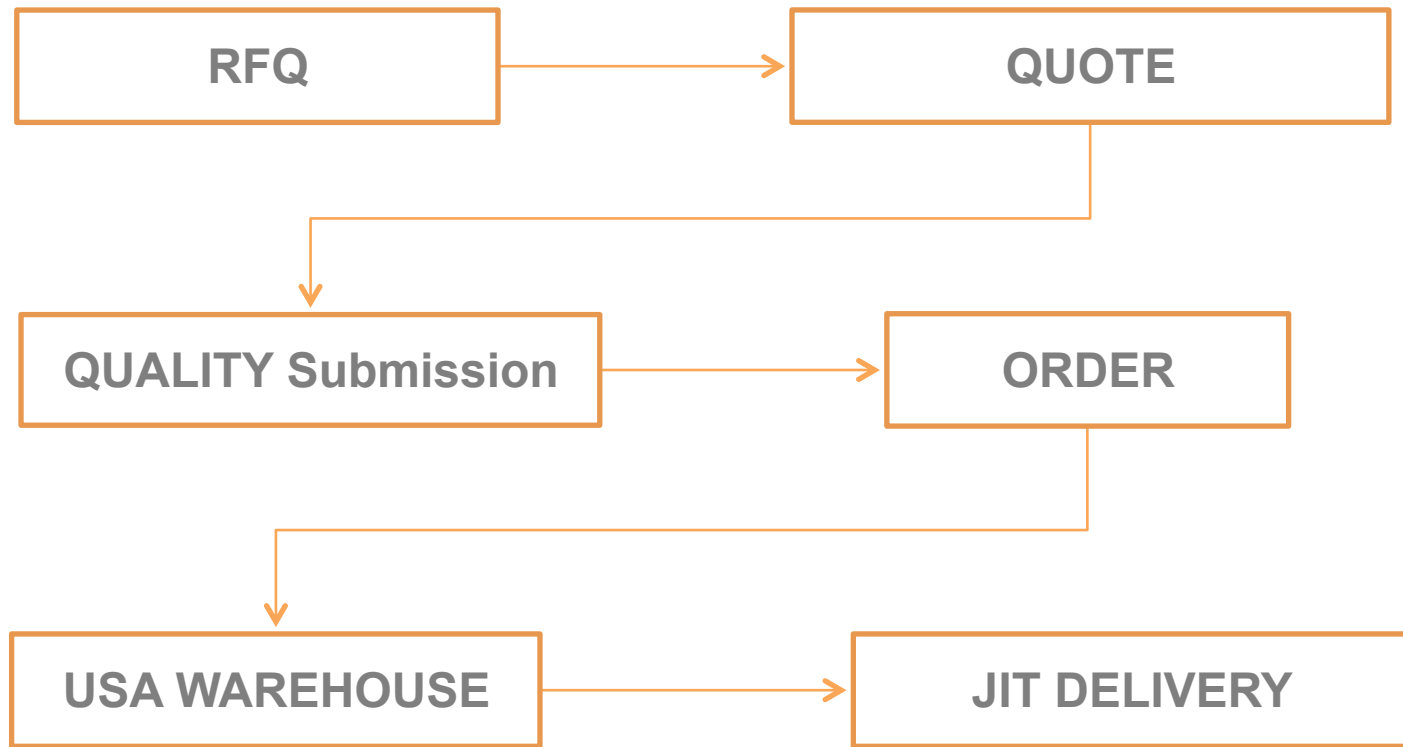

Who we are

- Our USA office manages all shipments and deliveries.
- North American contact and sales office.
- Provides inventory control and JIT delivery.
- Communicates and coordinates domestic issues to our Asia suppliers.
- Guarantees quality and provides excellent service.

Dedicated Suppliers

- Pioneer International supply base has been established over many years.
- Our relationship with suppliers is strong and based on trust and experience.
- We focus only on suppliers whom we know and respect.

Process

Step by step process for success

- Receive customer RFQ through sales activities.
- Provide customer with our quote.
- Quality check in Asia prior to shipment.
- Submit PPAP, samples, and production timing.
- Order product into our warehouse and deliver on a daily, weekly, and/or monthly schedule.
- Warehouse inventory on USA soil to maintain customer production requirements.

Potential & Conclusion

- Pioneer removes risk.
- Creates cost savings.
- Procures quality products.
- Manages inventory domestically.
- Ships JIT (just in time)
